WHY THE MOCK TEST AND ITS STRATEGY :

Mocks are regarded as useful and helpful study tools for preparing for NEET/JEE admission exams. Students can undertake mocks for the reason of-

- ▶ Getting familiar with the pattern: - The majority of students taking the entrance exam are unfamiliar with the format of the test. Mock test can make it easier for students.
- ▶ Managing time: - Time management is the most crucial component of completing NEET/JEE or any entrance exam. The time allocated for each question, typically 40 second, must be practiced to enhance the capacity.
- ▶ Managing pre-exam stress and anxiety: - Students can better handle exam anxiety and develop their ability to think clearly under pressure by completing mocks in the allocated time.
- ▶ Self analyse your performance: - Mock tests help you to gauge your own performance. Every time you take a practice test, they help you self analyse your strengths and weaknesses, which will be indicated by the marks that you score in the test.
- ▶ Self analyse your performance: - Mock tests help you to gauge your own performance. Every time you take a practice test, they help you self analyse your strengths and weaknesses, which will be indicated by the marks that you score in the test.

► Clearing doubts in time: - Doubts can be marked while taking the mocks to have lecture, answer them right away. This guarantees the topics from each subject, which will result in better revision. Also, based on mock attempts, a list of one-line statements and phrases can be created to be referred to within the last 15 days.

► Boosts your confidence level: - 'Practice makes it perfect'. Taking mock tests routinely helps you to improve your confidence level as you have gained enough practice. In this way, they won't take you by any surprise in the examination day.

Revision: - Revision helps candidates answer problems more quickly and accurately. When studying independently, students frequently forget to switch between the disciplines, yet when solving mocks, they would be required to switch between assess their performance and work to minimize the points lost due to erroneous responses. Therefore, at least 15 practice exams and 12 previous year question papers must be attempted before the final exam or four to five practice tests should be taken each week. This will improve preparing applicants for a variety of questions with varied degrees of difficulty.

Full-length Mocks: - These comprehensive practice exam cover every section of the NEET/JEE exam.

Exam-specific Practice Mocks: - They familiarize aspirants with the exam structure and prepare for the most challenging and crucial topics, depending on the type of exam.

Mini-preparation Mocks: - Each subject is covered in detail in the minipreparation tests. They serve as a useful tool for determining the degree of preparation for each test section.

Topic-specific Practice Mocks: - These mocks can prepare for the trickiest and most crucial themes, give more confidence

संदेश

अत्यंत हर्ष के साथ सूचित करता हूँ कि गोरखपुर मंडल में पहली बार नेशनल एजुकेशनल सोसाइटी द्वारा (RBTC) (Rank Buster Test and Training Center) की स्थापना की जा रही है। मुझे आशा है कि यह केंद्र पूर्वांचल के छात्र-छात्रों के लिए वरदान साबित होगा।

कालांतर में यह संस्था स्वर्णिम इतिहास की साक्षी बनेगी। इसका एक मात्र परमपुनीत उद्देश्य इंजीनियरिंग, मेडिकल, बैंक, पीसीएस, आईएएस जैसी प्रतियोगी परीक्षाओं में भाग लेने वाले विद्यार्थियों में आत्मविश्वास का अलख जगाना है तथा उन्हें सफलता के उच्चतम शिखर पर स्थापित करना है। इस कार्यक्रम को बेहतर स्वरूप एवं दिशा देने के लिए संस्था के निर्देशक व एमजीपीजी कॉलेज के पूर्व प्राचार्य प्रोफेसर शैलेंद्र कुमार श्रीवास्तव के तत्वावधान में गोरखपुर, लखनऊ, प्रयागराज, बनारस के प्रतिष्ठित पारंपरिक एवं अनुभवी विद्वानों की एक समिति (Academic Council) का गठन किया गया है। जिससे संस्था पूरे प्रदेश में अपनी पहुंच का विस्तार कर एक अलग कीर्तिमान स्थापित कर सके।

विश्वास है कि यह संस्थान ज्ञान का अलख जागते हुए विद्यार्थियों के लिए आशा की नई स्वर्णिम किरण साबित होगा।

Message

Dear parents students and friends

Season's greeting

First of all we would like to congratulate you on your resolution to become an engineer or doctor from one of the premier RBTC in UP. You will become a part of these unparalleled Success stories being scripted at RBT centre. To succeed in any competitive examination you need strong internal motivation. No one can force you to prepare and work hard to realize your Passion for excellence; ability to learn and expert's guidance can centrally determine your success in the top level competitive examination.

At RBTC the systematic periodical test helps to gain knowledge self belief and high Level of confidence which is essentially required to qualify in any competitive examination. Our test series courses have been carefully calibrated to provide the breadth and depth of knowledge.

Students are exposed to the latest body of knowledge through the Test/Exam; each paper will be discussed in classroom by the expert eminent mentor. In addition to this RBTC will organized guest lectures by the subject experts. As you know the guest lecture play an important role in the learning and development process of the student.

Eminent academician and practicing professionals are involved for the guest lecture, where students get an opportunity to interact clots with them and understand practical application of knowledge during the examination. Our emphasis is on providing test paper its solution with discussion for those who want to prepare to succeed' in the exams, like JEE, NEET&CUET.

We believe that practice makes a man perfect. With the non change pattern we are set to provide our students with real practical skills that meet the necessary needs of exam pattern and preparation.

“Success does not lie in result but in ‘ efforts being’ the best is not so important doing the best is all that matters.”
